Rocky Mountain Farmers Union Cooperative Leadership Camp

Greetings! It's that time of year again — camping season! We are gearing up for another great season with new programs and activities. You are not going to want to miss this one!

There are many places you can send your child for a great camping experience, but our smaller size and breathtaking mountain setting makes RMFU Camp a natural choice. Our camp offers an unique environment where kids have the opportunity to feel good about themselves, through the friendships that they make with counselors and fellow campers, their accomplishments in new and exciting activities, and their involvement in an atmosphere of mutual respect and caring.

At Rocky Mountain Farmers Union Cooperative Leadership Camp, we create a place where campers feel part of the camp community and the even larger Farmers Union family! While camp is about having fun, learning new skills, making new friends, growing existing friendships, and spending time in a beautiful natural setting, it also develops life skills and offers memories that will last a lifetime.

Our camp staff has a passion for mentoring young people and helping them achieve their very best through a safe, educational, and exciting time. As camp director, I challenge the staff to heighten the experience for all campers. Great camp memories, start with outstanding and engaging staff!

Feel free to contact me if you have questions or comments. You can reach me by phone (303.283.3550) or by email (jennifer.bahr@rmfu.org). We look forward to seeing you in June!

Jennifer Luitjens Bahr
Camp Director

Join in the fun—See you in June!

The Harvest Moon Gala is the RMFU Foundation's annual fundraiser for its education programs. The festive evening starts off with lively games and a chance to win some fabulous prizes, followed by a scrumptious dinner and lively bidding on many unique items featured in both a silent and live auction. All funds raised at this "night for education" benefit our education programs, including our cooperative leadership camps, Fellows program, college scholarships, camp scholarships and many other

programs that build leaders.

By bringing in the bounties of the harvest, our education programs are able to grow and reach more people each year. Through this event we are able to keep our camp costs down, allowing more families to be involved and offsetting costs for activities that normally we wouldn't be able to offer.

Thank you to our Harvest Moon sponsors who make this happen!

What the Campers Say...

RMFU camp was the best thing about my summer. If you asked me what I liked the most, it would be hard to list just one. One memory that really stands out in my mind was looking out over the camp and seeing the A-frame from the top of the mountain at the end of our hike. It was great to see my old friends again and to make new ones. Another interesting activity was "Growing Good Taste." I loved trying all the exotic fruits and vegetables. I hope RMFU camp doesn't change at all, from the awesome counselors, to the scavenger hunt, to the last dance before we leave.

Kelci

I've experienced a lot of fun in all my summers, but put all of those things together and it's still not as fun as Rocky Mountain Farmers Union Camp. We have so much fun and enjoy each other through learning, dancing, art, skits, talents shows and healthy foods. We are like a really huge family. I love Farmers Union camp so much that I want to go to camp for the rest of my life.

Bryson

RMFU camp is such an amazing program and I plan on going for many years to come. I'm always counting down the days from when I leave camp to when I can come back again next year. There's always great activities, field trips, group sports, fun hikes, and awesome staff that make the camp experience like no other. Plus, I always make special new friendships with people from all over. I absolutely love Rocky

Farmers Union Camp will be more than happy to have you with them. Being a vegetarian isn't hard at all at camp—the cook will just make you a different meal! And you can buy yummy treats at the Co-op shop. One of the best things about the camp is that you really get to know your counselors because you do so many things with them every day. Right when you think there is no more fun to be had, you have more fun! In fact, it is so much fun you'll never want to leave. I can't wait to go back next summer!

Who We Are

Rocky Mountain Farmers Union promotes and protects family farmers and ranchers in Colorado, New Mexico and Wyoming. For more than 100 years, RMFU has led the fight to see that agriculture and rural areas get the same advantages in education, representation, and economic opportunity available to their fellow citizens in urban America.

RMFU has been at the center of our nation's development of cooperative businesses and instrumental in landmark legislation that protects the rights of family farmers, ranchers, and our rural communities. We stand firmly on three principles: legislation, cooperation and education.

The **Rocky Mountain Farmers Union Foundation** provides educational and cooperative services to communities in our three-state region. The mission of the foundation is to strengthen rural economies through education and grassroots empowerment.

Education is vital to sustaining our way of life, maintaining leadership and service in rural communities, and ensuring that we have a safe, secure food supply. Through educational efforts including leadership camps for youth, adult programs and community initiatives, the RMFU Foundation fosters education. We are dedicated to protecting the sustainability of rural families, family agriculture and rural communities.
